

# THE WORLD'S LARGEST LESSON PLATE PIONEERZ AWARD IS BACK

World's Largest Lesson is a programme run to inspire young people to take action for the Global Goals. This year, we are excited to continue our 2019 theme and partnership with the TCC Foundation to award two Plate PioneerZ awards. These prizes will be awarded Design For Change (DFC) projects that focus on helping to achieve Global Goal 2 Zero Hunger and Goal 3 Good Health and Well-Being.

## Who is eligible?

Any schools submitting a DFC project that focuses on either Global Goal 2 Zero Hunger or Goal 3 Good Health & Well-Being will be automatically considered for this prize.

## What is the award?

DFC organises the 2019 I CAN Children's Global Summit, providing young change makers from around the world, a platform to showcase their stories of change. The celebration honours and recognises these young agents of change for their courage and determination to better the

world around them. The recipients of the Plate PioneerZ awards will win a trip to join the other Design For Change winners. For 2019 the summit will be held in Rome, Italy.

## How do I apply?

For a chance of winning this prize, you will need to register your project on the Design For Change website: [challenge.dfcworld.com](http://challenge.dfcworld.com)

Winning prizes will be awarded to change projects that work towards achieving Global Goal 2 and/or Goal 3.
